The Honorable Steven T. Mnuchin  
Secretary of the Treasury  
Department of the Treasury  
1500 Pennsylvania Avenue NW  
Washington DC 20220

Dear Mr. Secretary:

A telephonic public meeting of the Citizens Coinage Advisory Committee was held on Tuesday, April 14, 2020. The purpose of the CCAC meeting was to review and discuss the obverse candidate designs for the George H.W. Bush Presidential \$1 Coin.

**George H.W. Bush Presidential \$1 Coin (Obverse):** The CCAC's design recommendation is GHWB-01, which is also the preference of the Bush family and the recommendation of the U.S. Commission of Fine Arts. The Committee voiced its strong support for the design due to how this portrait of President Bush reflected "hopefulness," "warmth," and "forward thinking." After a brief review and discussion, the CCAC voted unanimously to recommend GHWB-01.

Sincerely yours,

/s

Thomas Uram  
Chairman  
Citizens Coinage Advisory Committee
