Title: Terrorism Risk Insurance Program—Litigation Management Submissions.

Form: Treasury TRIP-03.

Abstract: Section 103(a) and 104 of the Terrorism Risk Insurance Act of 2002 (Pub. L. 107-297) authorize the Department of the Treasury to administer and implement the temporary Terrorism Risk Insurance Program established by the Act. Section 107 contains specific provisions designed to manage litigation arising out of or resulting from a certified act of terrorism. The Terrorism Risk Insurance Extension Act of 2005, Public Law 109-144, added section 107(a)(6) to TRIA, which provides that procedures and requirements established by the Secretary under 31 CFR 50.82, as in effect on the date of issuance of that section in final form [July 28, 2004], shall apply to any Federal cause of action described in section 107(a)(1).

Section 50.82 of the regulations requires insurers to submit to Treasury for advance approval certain proposed settlements involving an insured loss, any part of the payment of which the insurer intends to submit as part of its

claim for Federal payment under the Program. The collection of information in the notice of proposed settlement in Section 50.83 that insurers must submit to implement the settlement approval process prescribed by Section 50.82.

Type of Review: Extension of currently approved collection.

Affected Public: Business or other for-profit, Federal Government.

Estimated Number of Respondents: 100

Estimated Time per Respondent: 12.86 hours.

Estimated Total Annual Burden Hours: 5,141 hours.

Request for Comments: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance and purchase of services to provide information.
