The Honorable Scott Bessent  
Secretary of the Treasury  
Department of the Treasury  
1500 Pennsylvania Avenue, NW  
Washington, DC 20220

Dear Mister Secretary:

The Citizens Coinage Advisory Committee (CCAC) held a public meeting on September 16, 2025, during which we reviewed the candidate designs for the Supergirl 2026 Comic Art Coin and Medals.

At our public meeting, the CCAC reviewed the portfolio and following discussion scored the obverse and reverse candidate designs with the set of obverses **DC-SG-G-O-02**, **DC-SG-S-O-02**, and **DC-SG-SC-O-02** receiving the highest scores (24/23/23 out of 30 possible points), and the set of reverses **DC-SG-COIN-R-05** and **DC-SG-MEDAL-R-05** receiving the highest scores (27/27 out of 30 possible points). By a motion that passed by raising of hands, with eight in favor and two opposed, the CCAC recommends these obverse and reverse candidate designs for the coin and medals, which align with the preferences of Warner Brothers Discovery.

It is an honor to serve as the Chair of the CCAC and I am proud of the CCAC's role in the production of United States coins and medals.

Sincerely,

Dr. Peter van Alfen  
Chairperson  
Citizens Coinage Advisory Committee
